

Social network analysis and co-offender network(SNACN)

Uninstallation Guide

To Uninstall SNACN Application

Below application needs to be removed from the machine.

1. Uninstall SNACN_Installer
2. Uninstall Rtools 3.1
3. Uninstall R for windows 3.0.2
4. Uninstall My server 5.5
5. Delete "MYSQL" from C drive(if exist)

Uninstallation of SNACN

Go to → Control Panel → Programs → Click on uninstall program link

The screenshot shows the Windows Control Panel window, specifically the 'Programs and Features' section. The title bar reads 'Control Panel > Programs > Programs and Features'. The left sidebar contains links: 'Control Panel Home', 'View installed updates', 'Turn Windows features on or off', and 'Install a program from the network'. The main area is titled 'Uninstall or change a program' with a subtitle 'To uninstall a program, select it from the list and then click Uninstall, Change, or Repair.' Below this is a table of installed programs. The 'SNACN_Installer' is highlighted in blue. At the bottom, a summary for the selected program shows 'SNACN Product version: 1.0.0' and 'Size: 14.6 GB'.

Uninstallation of Rtools 3.1

Go to → Control Panel → Programs → Click on uninstall program link → select Rtools 3.1

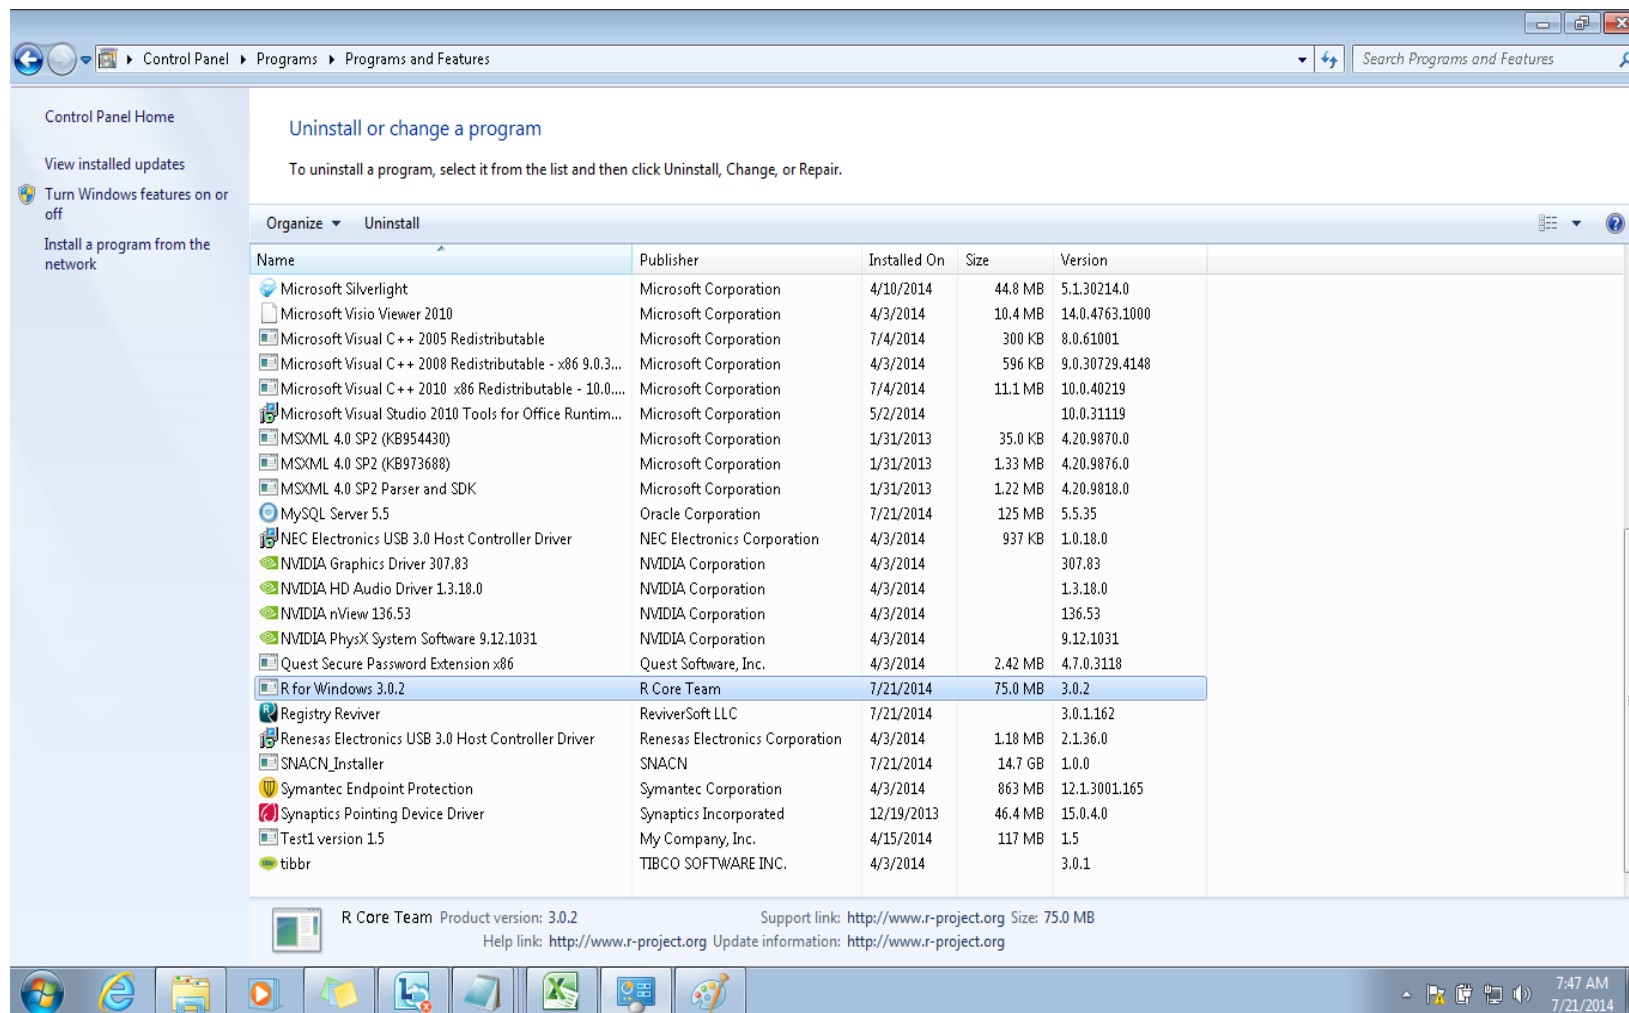

The screenshot shows the Windows Control Panel window, specifically the 'Programs and Features' section. The title bar indicates the path: Control Panel > Programs > Programs and Features. The main heading is 'Uninstall or change a program', with a sub-instruction: 'To uninstall a program, select it from the list and then click Uninstall, Change, or Repair.' Below this is a table of installed programs. The 'Rtools 3.1' entry is highlighted in blue. The table columns are Name, Publisher, Installed On, Size, and Version. At the bottom of the window, there is a detailed view for the selected 'Rtools 3.1' program, showing the publisher as 'The R Foundation' and the size as '249 MB'.
